E.Theodore Aranda : Winning Secrets No One Tells New Real Estate Agents: How To Go Solo without Going Broke before purchasing it in order to gage whether or not it would be worth my time, and all praised Winning Secrets No One Tells New Real Estate Agents: How To Go Solo without Going Broke:

1 of 1 people found the following review helpful. Practical, insightful, clean and concise.By Tom LarsonThis powerful little book contains, practical how-to, holistic steps of preparing your attitude, especially building your confidence as you get started in the Real Estate business. Ed speaks as one who as been there long enough to have pushed past the hurdles that stop many budding agents yet is new enough to still relate to them and can explain in practical, thought-stimulating ways how to keep going with wise, maximum-effect rather than maximum-effort techniques.2 of 2 people found the following review helpful. Quick, easy to read, very informativeBy bill krehbielThis book is written in short, easy to digest chunks and chapters. It's a quick read, but very informative. It gets to the main ideas quickly, explains them, and then moves on. I'm not an agent, but the principles are applicable in pretty much any field. I would highly recommend it!0 of 0 people found the following review helpful. Brilliant!By CustomerAccording to the author, Top Agents apply simple and powerful principles with consistent practice. He then explains how they worked hard on the 'right things' at the 'right time.' Brilliant! Even more so because these principles are applicable to any industry. Highly recommend!

Seventy-five percent or more of New Agents will quit before their first year. Tragically, few have asked why this happens. So, I decided to find out. I wanted to know how to increase the odds of success for a struggling New Agent. I interviewed Top Agents to learn how the successful minority managed to stay in business . . . and how YOU can apply what they know for your own success. Once you know why most New Agents quit too soon, you can avoid the temptation by using simple but powerful tweaks to your mindset and daily routine.
